Edge sharpening only	8.18 € / 16.00 BGN.	12.27 € / 24.00 BGN.	B	Sharpening of the side edges at an angle of 89 degrees. If desired, sharpening at a different angle is available for an additional charge. We recommend combining this service with waxing.
Waxing	4.09 € / 8.00 BGN.	6.14 € / 12.00 BGN.	A	The main purpose of waxing is to protect the edges. We recommend combining it with edge sharpening.
Structure	9.20 € / 18.00 BGN.	13.80 € / 27.00 BGN.	E	Stone grinding of the ski base and creation of structure. These are tiny cuts on the ski surface, in various patterns, similar to the treads on car tires, which channel away the water film formed from melting snow beneath the skis. In fact, it's this water that allows us to glide. 
			C	Filling of scratches (gouges) with plastic (x). This is done using a special gun, not a candle. Not offered as a standalone service.
			D	Base grinding of the ski base using sandpaper (Base Grinding). A machine with at least 2 types of sandpaper is used for better quality. Not offered as a standalone service.
